FINANCIAL POLICY

PATIENTS WITH INSURANCE COVERAGE

We will be glad to help you obtain the appropriate benefit from your primary insurance carrier and bill your carrier as a courtesy to you. However, you are responsible for the payments of the account. We will be happy to request a pre-estimate of benefits from your insurance carrier if you request us to do so. Routine treatment is generally performed without submitting a request for pre-estimate of benefits.

Portions of the bill may not be paid by the insurance company and are to be paid by you. Deductibles and co-payments are your responsibility. Please be advised that as a courtesy to you we will bill your secondary insurance company.

If you are having treatment over a period of time, we appreciate payment during the course of treatment. Any non-covered services are due at the time they are rendered.

PATIENTS WITHOUT INSURANCE COVERAGE

Patients without insurance coverage are required to pay for services as rendered. We accept Mastercard, Visa and personal check payments.

ADDITIONAL TERMS

Appointments cancelled less than 24 hours notice are subject to a \$25.00 cancellation charge. Checks returned by your bank are subject to a \$20.00 processing charge. Accounts are due 30 days from the date of billing and are subject to a finance charge at the rate of 1.5% per month (18% per annum) if not paid in a timely manner. If your account is referred for collection, you will be responsible for collection costs in the amount of 30% of the outstanding balance, together with court costs and reasonable attorney's fees.

We would like to take this opportunity to welcome you to our office and assure you that we will do our utmost to provide you with the best care possible.
